

ACMAT100 Spring 2026
Professor Manguba-Glover
First Day Worksheet

Name: _____

Due next class, in-person.

- (1) Suggest 3-10 songs (profanity allowed but make sure the content is class-friendly) for the class playlist. Please provide both title and artist.
- (2) What is something that worked well for you in a previous math class? What is something that didn't?
- (3) Are there any activities/games you're interested in doing this semester (related to our course)?
- (4) Is there anything you want me to know/keep in mind about you?

Other suggested tasks:

- (1) Join the class Discord.
- (2) Get to know some of your classmates to build a learning community.
- (3) Explore the class website, and Sakai.
- (4) Visit/schedule office hours with me before the first midterm.
